SHENA WORKS LIMITED

CIVIL ENGINEERING, ROAD CONTRACTING & BUILDING WORKS

Company Profile & Capabilities Deck

1. COMPANY OVERVIEW

Shena Works Limited is an integrated Kenyan construction and civil engineering firm headquartered in Meru County with liaison operations in Nairobi. We specialise in road construction, bulk earthworks, heavy-duty cabro paving, structural building works, and interior architectural fit-out.

Founded and directed by Newton M. Muthee, Shena Works combines experienced on-site engineering supervision with company-owned heavy earthmoving machinery — delivering reliable infrastructure on time and on budget.

2. CORE SERVICES

- **Road Construction & Bulk Earthworks**
  Grading, camber shaping, mitre drains, sub-base compaction and all-weather murram road delivery.
- **Cabro Paving & Heavy-Duty Surfacing**
  Excavation, compacted sub-base, kerb restraints, and 60mm/80mm interlocking blocks for yards and bays.
- **General Building Construction**
  Substructures, reinforced concrete frames, masonry walls, roofing and full turnkey delivery.
- **Interior Design & Architectural Fit-Out**
  Custom ceilings, architectural lighting, moisture-resistant wellness suites and hospitality finishes.
- **Project Management & Construction Supervision**
  BoQ verification, site QA/QC, progress milestones, material testing and subcontractor coordination.

3. HEAVY EQUIPMENT & PLANT FLEET

- **20-Tonne Class Crawler Excavator**
  20,000 kg operating weight | 1.0 m³ bucket | Bulk excavation, trenches & quarry loading
- **Heavy-Duty Motor Grader**
  140–190 hp | 3.7 m hydraulic moldboard blade with scarifier | Road shaping & cambering
- **Single-Drum Vibratory Roller**
  10–12 tonne smooth vibratory drum | High-amplitude sub-base & murram road compaction
- **Crawler Bulldozer with Ripper**
  18–22 tonne class | Semi-U blade + rear ripper | Bush clearing, ripping & bulk cut-and-fill

4. REPRESENTATIVE COMPLETED PROJECTS

- **The Black Perch Lounge — Meru County (2024)**
  General contractor & PM: Lounge pavilions, sauna & wellness suites, carwash bays & cabro parking.
- **The Pin Hideout — Meru County (2023)**
  Renovation contractor & fit-out: Pavilion extensions, acoustic interior ceilings & mood lighting.
- **Duke's Cottages, Restaurant & Garden — Meru County (2023)**
  General contractor: Cut-stone cottages, drainage channels, landscaped cabro walkways & gardens.
- **Stone Lounge & Villas — Meru County (2022)**
  Civil & building contractor: Stone masonry villas, pool earthworks & private cabro access road.
- **Meru Access Road Grading & Drainage (2024)**
  Civil works: Corridor bush clearing, camber grading, mitre drains and vibratory roller compaction.
